Dear Ms. Arnold:

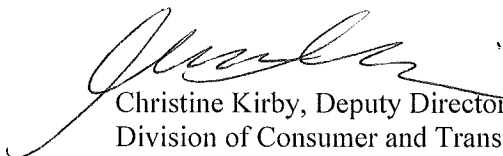

Enclosed please find the 2011 Annual Report for the Massachusetts I&M program addressing the requirements of 40 CFR 51.366(a)-(d), and the 2010-11 Biennial Report addressing the requirements of 40 CFR 51.366 (e).

Both reports document the continued successful operation of the Massachusetts' I&M program.

To save paper and to allow EPA to review and sort the detailed test data contained in the 2011 Annual Report's attachments, the enclosed submittal includes a CD containing the files for Attachments B (Detailed 2007 Emission Test Data) and C (2007 Test Data by Station).

Please let us know if you have any comments or questions on the attached reports. We look forward to continuing to work with you on the Commonwealth's I&M Program.

Sincerely,

Christine Kirby, Deputy Director  
Division of Consumer and Transportation Programs  
Bureau of Waste Prevention
